Teen-Ager Fires Rifle at Boy

Torrance police yesterday were investigating a story told by Bill Mosley, 11, of 613 Pine Dr., that a 14-year-old boy fired a 22 caliber rifle at him while he was walking home from school late Wednesday afternoon.

The lad told officers he stopped at Madria and Sierra Sts., turned around and saw two boys standing on the sidewalk, one with a small caliber rifle. The boy fired the gun, and then fled the scene.

Mosley's mother told investigators she returned to the scene with her son and found a discharged .22 rifle shell case on the sidewalk.

Sale of City Equipment Yard To Firm Asked

Negotiations are under way with the city for purchase of the city's maintenance yard for apparent expansion by the Rome Cable Co. here, it has been revealed by City Manager George Stevens.

The company, located at 1739 W. 213th St., has discussed expansion with Stevens, it was indicated, and has suggested that the firm might purchase the city yard. The firm declined to tell its complete plans at this date.

Stevens said he believes that the city yard should be located in a more central location.

The expansion information was contained in a letter from the company to the city council requesting installation of a larger water main to the plant.

Sailor Suffers Major Hurts As Auto Hits Fence, Tree

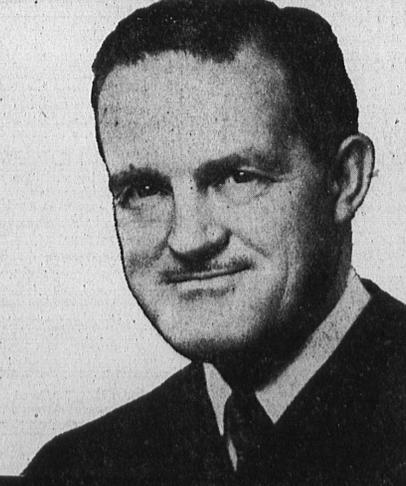

A 21-year-old sailor was in critical condition in Long Beach Naval Hospital yesterday suffering major injuries he received when his car crashed into a fence and then snapped off a giant eucalyptus tree on Pacific Coast Hwy. near Madison St.

Taken to Harbor General Hospital was Donald L. Beeler, of the USS Mathews. He was later transferred to the Navy hospital.

Torrance policemen Lt. A. S. Thompson and Officer R. E. Walker said Beeler evidently fell asleep at the wheel of his car. Traveling east on Pacific Coast Hwy., his auto jumped the curb, skidded for 89 feet, tore out 24 feet of fence and sheared off the tree.

The car, a 1941 convertible model, was a total loss. Fence owner E. J. Guokas, 3437 Cricklewood Ave., estimated his loss at \$50.
